

Exterior

Perfect combination of sporty grit, elegance and comfort, Flash 48 is recognizable immediately for its aggressive profile. Very high performances on the water during navigation. With the new engine packages achieves a top speed in excess of 45 knots. On board the spaces are very well distributed and the comfort is not fearing any other boat of same size or bigger. Over 75 units already on the Oceans.

Main Deck

The major characteristic of the Flash 48 is the fiberglass hard top, which is an important allied in making this boat livable at sea in any kind of conditions. With its retractable sun roof you can easy keep it closed in an air-conditioned space or open it for a great feeling of open sky. There is also space for a wide sun pad, a C shaped divan, refrigerator and pilot seat with dashboard; even an entrance for a crew cabin(optional).
