

STANDARD FEATURES

The new Pearl 95...a new flagship to the spearhead the Pearl range. Continuing the hugely successful design collaboration between Dixon yacht design and Kelly Hoppen. The Pearl 95 is as innovative and groundbreaking as it's smaller sisters but even more spacious, even more luxurious and even more breathtaking.

No other yacht in its class offers a full beam owners cabin on the main deck with panoramic views forward, no other yacht in its class offers a 'foredeck sun lounge' with multiple seating and sunbathing areas and no other yacht in its class offers the fantastic aft 'beach club'.

Powered by twin Caterpillar or MTU engines and with naval architecture by Bill Dixon legendary seakeeping and performance are a given. Our comprehensive standard specification combined with aggressive pricing make the Pearl 95 the best value 30M yacht in the world.
